- ◆ CLEP exams are open to anyone in the community; you do not have to be a GCC student. If testing for credit at another college/university, be sure to determine that college's requirements for accepting CLEP credit.
- ◆ Complete the CLEP Registration form (available in the Testing Center).
- ◆ Bring the following to the Testing Center to schedule your tests:
 - Completed CLEP Registration form
 - Test fees payable at registration time:

- ◆ Arrive promptly on test date. Bring items listed on your admission ticket. Non-programming, non-graphing calculators are permitted only for accounting, chemistry, algebra, and calculus exams. Plan 90 minutes testing time for each exam.
- ◆ Scores for computer-administered exams are available immediately. CLEP sends official score reports to you and to your chosen institution within one week.
- ◆ Upon receipt of scores from CLEP, follow the credit award policy at the college of your choice. At GCC, take your score report to the GCC Office of Admissions and Records. Complete a credit award application and ask for the CLEP credit to be added to your transcript.
