College-Level Examination Program

Steps for Taking the CLEP Exam at Grayson County College

- Students who believe they possess the knowledge and skills essential in certain courses or programs may challenge these through credit by examination. You are eligible to take a CLEP exam if you have never been enrolled in the course.
- CLEP exams are open to anyone in the community; you do not have to be a GCC student. If testing for credit at another college/university, be sure to determine that college's requirements for accepting CLEP credit.
- Complete the CLEP Registration form (available in the Testing Center).
- Test Fees:
 1. \$15 registration/administration fee payable to GCC (check with driver's license number or exact cash)
 2. \$77 CLEP fee due on test date
- Bring the following items to the Testing Center to schedule your tests:
 1. Completed CLEP Registration Form
 2. \$15 registration/administration fee payable to GCC (check with driver's license or exact cash)
- Schedule an appointment for your CLEP test with the GCC Testing Coordinator. You will receive an admission ticket and a list of items to bring on test day. Only two exams may be taken on a given test date.
- Arrive promptly on test date. Bring items listed on your admission ticket. Non-programming, non-graphing calculators are permitted only for accounting, chemistry, algebra, and calculus exams. Testing time for most exams is 90 minutes.
- Unofficial scores are available immediately after testing. CLEP sends official score reports to you and to your chosen institution within one week.
- Upon receipt of official scores from CLEP, follow the credit award policy at the college of your choice. At GCC, take your score report to the GCC Office of Admissions and Records. Complete a credit award application and ask for the CLEP credit to be added to your transcript.
- Complete all steps as soon as possible but no later than one year after testing.
