

Tuition and Fees

Mandatory fees include student services and general use fees. In addition to the fees indicated above, extension site students must pay an additional \$4 per hour facility use fee. Students will also be assessed parking, matriculation and student ID fees, and some classes have additional laboratory fees, which are listed on this page. The schedules of combined tuition and mandatory fees presented below are intended to assist students in estimating their educational costs. The following tuition and mandatory per credit hour fee rates have been implemented for Fall 2010.

"Third Attempt" (Rider 50) Tuition
Students at GCC are charged a higher tuition rate (\$50 per credit hour) for each course they repeat for 3 or more times. The "third attempt" course tuition rate applies to a majority of credit courses counting each time a student has enrolled in a course since Fall 2002. This additional rate does not apply to developmental education courses and repeatable courses.

A student enrolled in his/her last semester at GCC taking a course required for graduation will not be charged the higher rate. See the Admissions Office for more details and exemption requests.
