## XX Black, White and Variants of Gray

October 25 – December 9, 2021

The 20th Annual Black, White and Variants of Gray is an exhibition featuring original works executed in black, white and grays. No color...only black, white and variants of gray!

No Color, No Problem! As color is off the palette, artists are forced to rely on other visual elements and design principles to create innovative, interesting and appealing works. From line, shape, mass, light, texture and space to unity, variety, balance, emphasis, proportion, scale and rhythm, color won't be missed!

The exhibition is open to all area artists, art students at Grayson College and other colleges and universities; as well as high school art students in their junior and senior year. Work in any media is eligible.

Artists are limited to three (3) entries. All flat work must be suitably framed, wired, and ready to hang. Please no saw tooth hangers or frames with a drill hole for a nail. Grayson College reserves the right to reject any work that is deemed unsuitable for the exhibition or does not adhere to the theme of the show. For Additional information contact the GC Visual Arts Department at (903) 463-8662 or message us on our Facebook page, Grayson College Visual Arts Department.
