## The Impossible Gallery Show

January 31 - March 11, 2022

To be impossible, something is incapable of being or of occurring however, many things that we now accept as possible were not long ago considered impossible. The Impossible gallery show asks artists to consider what actually is “impossible”, what we wish was not impossible, and for what we are thankful is impossible (at least for now...).

The Impossible exhibit asks artists to create original works that explore these ideas surrounding impossibility, creating new possibilities and ways of seeing our world.

The exhibition is open to all area artists, art students at Grayson College and other colleges and universities; as well as high school art students in their junior and senior year. Work in any media is eligible.

Artists are limited to three entries. All flat work must be suitably framed, wired, and ready to hang. Please no saw tooth hangers or frames with a drill hole for a nail. Grayson College reserves the right to reject any work that is deemed unsuitable for the exhibition or does not adhere to the theme of the show.

For Additional information contact the GC Visual Arts Department at (903) 463-8662 or message us on our Facebook page, Grayson College Visual Arts Department.
