20/20

January 27 – March 6, 2020
The 2nd Floor Gallery

Grayson College / Arts and Communications Center
6101 Grayson Drive / Denison, TX

A new year, a new vision. Reflecting on the past can help bring focus to the future. As students of history we become the architects of the future. Art students for generations have studied the great masters before producing their own masterpieces, examining their visual inheritance and leaving an artistic legacy.

This exhibit asks artists to explore the connections between the past and the present, between what was and what could be, creating a clearer vision of who we are and where we find ourselves as individuals, as a society and as humans.
