Black, White and Variants of Gray

November 12 – November 30, 2019

The 2nd Floor Gallery

*Grayson College / Arts and Communications Center
6101 Grayson Drive / Denison, TX*

The 19th Annual Black, White and Variants of Gray is an exhibition featuring original works executed in black, white and grays. No color...only black, white and variants of gray!

As color is off the palette, artists are forced to rely on other visual elements and design principles to create innovative, interesting and appealing works. From line, shape, mass, light, texture and space to unity, variety, balance, emphasis, proportion, scale and rhythm, color won't be missed!
