

# Plan B

September 2 – September 20, 2019

The 2<sup>nd</sup> Floor Gallery

*Grayson College / Arts and Communications Center  
6101 Grayson Drive / Denison, TX*

An Artist’s ability to creatively problem solve means that when things don’t go as planned or are not ideal, there is no need to worry! Michelangelo’s creative problem-solving abilities took a beautiful but “too thin” slab of marble and created the iconic sculpture of David. Unintended results or unforeseen circumstances can become inspiration for artistic genius.

This exhibit asks artists to embrace those happy accidents, start somewhere unexpected or unknown, and give themselves the luxury of exploring, always knowing that there can be a Plan B and it may just be better.
