Meeting

1. Tuition and Fees

Mr. Giles Brown and Dean Steve Davis presented their proposal for increasing fees and differential tuition. The proposal is a differential tuition for the Associate Degree Nursing, with an increase of \$15/credit hour. The rationale for this is to cover the cost of depreciation of mannequins.

The topic was tabled for additional research by Mr. Brown and Steve Davis. EC will meet again at 1:00 pm on Tuesday, March 17, 2015.
