Scholastic Standards: Brandi reported on Scholastic Standards. Starting in fall, we will put students on probation. The policy will not change, but we will have early messaging to students.

Dr. McMillen asked if we could compare student success with enforcement of Scholastic Standard versus when we didn't enforce Scholastic Standards. Discussion followed.

The path forward is to look at ways to evaluate the effectiveness of our Scholastic Standards. Dr. Smarr will pull success of students (FTIC) over time. Dr. Smarr will meet with Amanda and look at Financial Aids Academic Plan success compared over time with those on Academic Plan.

Brandi and Amanda will develop a policy update for Scholastic Standards utilizing common language with Financial Aid. Casey will work with them to standardize a document for the planner.

Occupational Skills Awards Update: Brandi shared that she is still waiting on Unit 4 to follow-up.

Pathways #4 Homework Update: Dr. Washburn shared a copy of an email from Linda Watkins. Linda had some questions, so we need to submit an update to Linda. Dr. Washburn asked everyone to please answer the top 3 questions and send the updates to her by January 22nd.
