

# Dual Credit

## Child Development

### **SUMMARY**

Upon completion of these CDEC and TECA courses, the core courses and the remaining major course at Grayson College, the student will have completed their AAS and will be ready to transfer to a university.

### **CERTIFICATE**

These three classes are the Child Development Occupational Skills Award. They are three classes that are also part of the Child Development Certificate and the AAS, both of which can be completed once the student graduates high school and continues their education at Grayson College.

### **INSTRUCTOR**

A credentialed high school teacher embedded at the school or a credentialed professor from Grayson College.

### **CURRICULUM**

Curriculum is provided by Grayson College and consists of materials located in the Canvas Learning Management System and hands-on lab activities.

### **SCHEDULE**

Students complete tier coursework online and required hours in a laboratory setting. Students will be required to complete 2-3 hours of observation at their chosen site per week. Students will need to coordinate with the school or child care center as to when they can complete their required hours each week.

### **FACILITY**

Courses are offered online. Field experience is done in local child care centers or public school Pre-K through grade 3 classes if required in the course.

### **TSI REQUIREMENT**

Must be TSI complete in Reading and Writing for CDEC and TECA classes.

### **PREREQUISITES**

None.

### **VACCINATION REQUIREMENT**

State law requires that students under the age of 22 who will attend classes on a GC campus must provide documentation of a meningococcal vaccination within the previous 5 years or a conscientious objection waiver. Students will not be enrolled without this documentation.

### **TUITION & FEES**

\$97/credit hour + applicable fees.

**TEXTBOOK & SUPPLIES**

The TECA class uses Open Educational Resources. The CDEC course will use textbooks. The Child Development Program is currently moving to the new NAEYC Professional Standards and Competencies so new textbooks for these course that align with these new standards have not been selected.

**FINANCIAL AID**

Full or partial tuition waivers are available for dual credit students on free or reduced lunch programs.
