If you are currently attending school and are enrolled in at least 6 credit hours, you will remain in an 'in school deferment' status and your loans will not go into repayment.

Grayson College will report to the Department of Education that you are withdrawn. Your loans will then be placed in an administrative forbearance. This will suspend payments until Sept 30, 2021, however, you can still make payments if you choose. Making payments during the administrative forbearance could help you pay down your loan balance more quickly because the full amount of a payment will be applied to the principal once all interest accrued prior to March 13, 2020-is paid.

If you choose to make payments during the administrative forbearance visit your loan servicer's website to make a payment, or contact your loan servicer for more information.
