Required Statement of Selective Service Status

Federal law requires most male US citizens and immigrants, ages 18 to 25, to register with Selective Service. Texas state law requires students to submit this Statement of Selective Service Registration to all state-funded programs. Read each options carefully and select the one that best applies to you

- I was assigned the sex of male at birth, and I am registered
- I was assigned the sex of female at birth, and I am not required to register
- I was assigned the sex of male at birth, I am age 18-25, but I am **not** registered, and I am **not** exempt from registration (Selecting this option means you cannot receive aid from any state-funded programs)
- I was assigned the sex of male at birth, but I am not required to register (Select reason next question)

If you were assigned the sex of male at birth and are not required to register for selective service, it is because:

- I am under age 18
- I immigrated to the US after age 25
- I am over age 25
- Other _____

Statement of Child Support Arrearages

A student who is obligated to pay child support and is more than 30 days delinquent cannot be considered for any state-funded grant or loan. Please answer the following questions:

Are you currently more than 30 days delinquent on child support payments?

- Yes
- No

If you answered “Yes”, then you are not eligible for state-funded grants or loans **unless**:

- All arrearages (late payments) have been paid
- You are in compliance with a written repayment agreement or court order for the delinquency, or
- The court of jurisdiction over the child support order has granted you an exemption from being denied state-funded grants and loans as part of a court-supervised effort to improve earnings and child support payments.

If you answered “yes” and did **not** check any additional boxes, then you cannot be considered for any state-funded grants or loans.

Statement of Criminal Convictions

You may not be eligible to receive a Texas Educational Opportunity Grant (TEOG), if you have been convicted of any felony OR any offense under the law in any jurisdiction involving controlled substance as defined in Chapter 481, Health and Safety Code (Texas Controlled Substances Act). Please answer the following questions:

1. Have you ever been convicted of a felony or an offense involving a controlled substance? (Do not count convictions that were pardoned or removed from your record.)

Yes

No

2. Have you received a certificate of discharge by the Texas Department of Criminal Justice, correctional facility or completed a period of probation ordered by a court?

Yes

No

If you answered yes to question 1, then you are not eligible for TEOG unless:

You have a certificate of discharge by the Texas Department of Criminal Justice or another correctional facility.

You have completed a period of probation ordered by a court and at least two years have elapsed from the date of the receipt of discharge or probation completion

You have been pardoned and the record of the offense has been expunged from your record.

If you answered yes to question 1, and did not check an additional box, then you cannot be considered for the TEOG award.
