GLOSSARY

SAP: Satisfactory Academic Progress means a GPA of 2.0 or higher, a completion rate of at least 67% or higher, and the attempted program hours have to be less than 150% of published program length.

Financial Aid Good Standing: Maintaining a cumulative GPA of 2.0 or higher, a Pace of at least 67% or higher, and cumulative attempted program hours must be less than 150% of the published program length.

Financial Aid Warning: A status assigned to a student who fails to maintain SAP by not meeting a cumulative GPA of 2.0 and/or a cumulative pace of 67%. The student is permitted to receive Financial Aid for one additional semester. If by the end of the warning semester the student still has not regained standards, the student status will change to Financial Aid Suspension immediately following the semester where requirements fell below standards.

Financial Aid Suspension: A status assigned to a student who has failed to meet the requirements of Satisfactory Academic Progress. Cumulative GPA is less than 2.0, pace is less than 67%, and/or attempted cumulative hours exceed 150% of the published program length. Students who fail to meet the terms of their Academic Plan will be placed on suspension.

Academic Success Plan: A status assigned to a student who successfully appeals Financial Aid Suspension and is approved by the Appeals Committee. Students who are placed on an Academic Success Plan must maintain a term 2.5 GPA and 75% semester/term pace until eligibility is regained or the completion of degree/certificate program.

Grade Point Average (GPA): A measure of a student's academic achievement at an institution, calculated by dividing the total number of credits or hours. Students must maintain a cumulative GPA of greater than or equal to 2.0.

Pace: Is the calculation of a student's completion rate (cumulative earned hours divided by cumulative attempted hours must be greater than or equal to 67%).

Maximum Timeframe: Per federal regulations, when it becomes mathematically impossible for a student to complete their degree program within 150% of its length they are no longer eligible for federal student aid.

Financial Aid Appeal: A process for a student who fails to maintain SAP to petition the school's Financial Aid Appeals Committee to be reconsidered for eligibility to receive financial aid funding.

Mitigating Circumstances: Unusual circumstances beyond the student's control. Listed below are situations that may or may not be considered.

Mitigating Circumstances MAY include:

- Death of an immediate family member
- Injury*
- Illness or severe medical condition*
- Other special or extenuating circumstances

*of the student or immediate family member

Appropriate documentation is required to validate all mitigating circumstances.

Mitigating Circumstances MAY NOT include:

- Student did not like the instructor or had a conflict with the instructor
- Student did not understand college and was not ready or mature enough
- Death or illness of a friend or relative not in the immediate family
- Withdrew or stopped attending to avoid a bad grade
- Student states: Nobody told me that would affect me
- A change in a student's work schedule

Approved Appeal: Student will be placed on an **Academic Success Plan** and will be required to meet terms of plan as stated in

Denied Appeal: Student will not be eligible to receive all financial aid funding including: Federal, State, and/or some institutional
