

HESI A2 EXAM OVERVIEW FOR RADIOLOGY

The HESI stands for Health Education Systems, Inc., with A2 standing for Admission Assessment. The HESI A2© (also known as the Evolve Reach Admissions Assessment) is a common health science school entrance exam.

What subjects are on the HESI exam?

The HESI A2© consists of 8 separate test areas. For the Grayson College Radiology Program, you are required to take only 5 test areas:

1. **Reading Comprehension:** 47 questions, 60 minutes - multiple choice
 2. **Grammar:** 50 questions, 50 minutes - multiple choice
 3. **Vocabulary:** 50 questions, 50 minutes - multiple choice
 4. **Mathematics:** 50 questions, 50 minutes - multiple choice & fill-in-the-blank
 5. **Anatomy & Physiology:** 25 questions, 25 minutes - multiple choice

How much does the exam cost?

The cost to sit for the exam is \$50.00 at the [GC Testing Center](#), and varies by location. It is best to take the entire exam (all 5 sections) in one sitting, although you can choose to take each section separately. However, the cost is the same no matter the number of sections you choose to test for.

Where do I take the exam?

You are required to register and test for the exam prior to applying to the GC Radiology Program. You can take the exam at any testing center. You will take the exam on a computer and it will be proctored (someone will be there to watch you take it). You will receive a copy of your scores upon completing the exam, which you will need to submit to the Radiology Program along with your program application.

You will need to [create an online account](#) before testing:

What is a passing score?

The GC Radiology Program require a 75% or higher in each section, and overall average of the 5 sections to apply to the program. You receive points towards your application based on your average test score.

What happens if I don't pass my exam?

The GC Radiology Program only allows up to two attempts at the entire exam in a 12-month period. After two attempts at the entire exam in a 12-month period, you will have to wait until the 12-month period is over to sit for the exam again.

Are you allowed a calculator on the exam?

Yes, a calculator is provided for you but you cannot bring your own.
