**GRAYSON COLLEGE  
DISCUSSION OF BUDGET FOR 2018-2019 FISCAL YEAR**

**UNRESTRICTED FUND**

**Summary**

The budget for Grayson College’s Unrestricted Fund grew 4.41% to \$32,773,698. The budget is balanced, meaning that requested expenditures equal anticipated revenue.

The vast majority of the growth in revenue comes from increased local property taxes, which reflect a solid growth in taxable values and a decrease in the tax rate.

The primary drivers of the growth in expenditures are the creation of several new programs and changes in compensation administration.

**Revenue**

Unrestricted Fund revenue can be divided into four categories: (1) local taxes; (2) tuition and fees; (3) appropriations from the State of Texas; and (4) all other.

	(Dollars in Thousands)					
	2016-2017		2017-2018		2018-2019	
Local Taxes	\$ 11,744	38.1%	\$12,890	41.1%	\$ 14,260	43.5%
Tuition & Fees	9,287	30.1%	9,072	28.9%	8,803	26.9%
State Appropriations	9,394	30.4%	9,105	29.0%	9,008	27.5%
All Other	434	1.4%	323	1.0%	702	2.1%
	<u>\$ 30,859</u>	<u>100.0%</u>	<u>\$ 31,390</u>	<u>100.0%</u>	<u>\$ 32,773</u>	<u>100.0%</u>

### Unrestricted Revenue

The graph and table presented above show the relative size of and the change in each category of revenue. The local taxes category is substantially larger than any of the others. Furthermore it is the category that has experienced the most significant growth.

**Local Taxes:** Grayson College has enjoyed several years of solid increases in taxable values, with the current year being the largest in terms of percentage increase and dollar increase. This is shown in the table below:

	(Dollars in millions)			
	<u>15-16</u>	<u>16-17</u>	<u>17-18</u>	<u>18-19</u>
Total Value	\$ 8,338	\$ 8,845	\$ 9,511	\$ 10,471
Increase in Value	\$ 563	\$ 507	\$ 666	\$ 960
% Increase	7.2%	6.1%	7.5%	10.1%

The increases in total taxable value allow the college to bring in more revenue while it also lowers the tax rate. As seen above, revenue from local taxes are budgeted for fiscal year 2018-19 approximately \$1,370,000 higher than was budgeted for fiscal year 2017-18. At the same time, the total property tax rate will drop from \$.1812 per \$100 value to \$.177334 per \$100 value.

**Tuition and Fees:** As presented, tuition and fees will drop approximately \$269,000 from the 2017-18 budget to the 2018-19 budget. However, that is somewhat misleading. The accounting for dual credit was moved to the tuition and fee category as a waiver, but in prior years it was shown as an expenditure in the scholarship account. This change accounts for \$240,000 of the decrease, making the year-to-year change from other factors negligible. The budget assumes the same number of credit hours as the prior year, and there is a net \$2.00 per credit hour increase.

**State Appropriations:** Grayson College's appropriations from the State of Texas consists of three components: formula funding, a non-formula item for viticulture and enology, and funding for benefits. Since 2018-19 is the second year of the current biennium, there is no change from 2017-18 to 2018-19 for formula funding or the non-formula item. However, funding for benefits is determined by the change in enrollment in the prior year compared to the number of employees receiving funding for state benefits. Since there was slight decrease in credit enrollment from fiscal year 2016-17 to fiscal year 2017-18, the budget anticipates a slight decrease in state funding for employee benefits. Overall, Unrestricted Fund revenue from state appropriations is budgeted to drop \$97,382, or 1.07%, to \$9,008,033.

**Other Revenue:** The other revenue category also includes sales from the cosmetology department and transfers-in. A transfer-in from the Auxiliary Fund is included for the first time in the 2018-19 budget. It is in the amount of \$200,000 and is in recognition of the increased activity in the housing and food service departments within the Auxiliary Fund. Other substantial increases in this category include a \$90,000 increase in interest income and a \$60,000 increase from state and federal grants.

**Expenditures:**

Total expenditures in the Unrestricted Fund in the 2018-19 budget are \$32,773,698, up 4.41% from the prior budget.

	(Dollars in Thousands)			
	2017-18		2018-19

All Other	4,849	15.4%	5,020	15.3%
	<u>\$ 31,390</u>	<u>100.0%</u>	<u>\$ 32,774</u>	<u>100.0%</u>

The creation or resumption of several programs is of particular note in the 2018-19 budget. Men’s basketball and women’s basketball are returning to Grayson College after an absence of several years. In addition the college is beginning an athletic trainer program, a cheer program, and a pep band program. Collectively, these programs add \$559,257 to the 2018-19 budgeted expenditures, as compared to the prior year.

Additionally, the college has continued to improve its salary administration. The 2017-18 budget reflected the work to add structure and market comparability for its clerical and professional staffs and for its administration. The 2018-19 budget continues that effort and also addresses some long-term problems with its salary administration for faculty members.

The salaries of faculty members continue to be managed on a salary scale, but improvements have been made to the scale. The former structure of the scale had very small increases for the longest serving faculty members. Also, the entry point of a faculty member on the scale was capped at step 10, meaning that an incoming faculty member with a considerable amount of experience was not rewarded for experience beyond ten years.

The faculty scale used for the 2018-19 budget addresses these issues. Each step on the scale now exceeds \$500, meaning that if the college grants a step increase, no faculty member's raise will be less than that amount. Additionally, for each current faculty member whose experience was capped at step 10 before, the college reviewed that employee's particular situation. Where warranted, a faculty member was granted one or two additional steps in the 2018-19 budget.

Total salary adjustments for the 2018-19 budget in the Unrestricted Fund are approximately \$650,000. This includes expanding the work-week of some employees from 35 hours to 40 hours and some promotions.

Additionally, the following are created in the 2018-19 budget:

- Police Officer
- Athletic Trainer
- Health Science Simulation Technician
- Assistant Women's Basketball Coach
- Assistant Men's Basketball Coach
- And Two Custodian Positions

The budget maintains the \$1,000,000 transfer from the Unrestricted Fund to the Plant Fund. Also known as the Preservation Fund, this transfer is to set aside funding for maintaining or improving our facilities in the future. The budget also continues that practice of appropriating \$150,000 to be used for Student Success initiatives.

## **AUXILIARY FUND**

The auxiliary fund contains operations that share a goal of providing resources to the college through related business-like operations. The three primary operations are the bookstore, food service, and campus housing. The college formerly operated a golf course, but it has been closed after years of operating losses.

The bookstore continues to provide the largest amount of resources to the college. Its operation is contracted to Follett. This budget is the first to contain a transfer of the operating results from the bookstore to the Unrestricted Fund.

The food service is contracted to Great Western Dining. This budget recognizes the positive effect on the dining service of adding on-campus housing. Net results for food service was budgeted to more than double.

Revenue from on-campus housing is budgeted to increase by 160.05% due to the addition of Jones Hall, a new dormitory that will enter service in August 2018. However, expenditures for salaries and utilities will increase more than revenue will increase. The utility expenditures were charged to the Unrestricted Fund in prior budgets but will now be properly charged to housing. The net result is still budgeted to be positive even though it is slightly less than the results from prior years.
